The insured or anyone who acts on the insured's behalf, or in the interest of the insured, or its employees, members, partners, directors

or principals, or any other person covered by this policy, must provide true and correct information to OUTsurance. Any material misrepresentation, misdescription or non-disclosure shall render voidable the particular item, section or subsection of the policy or may lead to the cancellation of the entire policy.

2. Notification of changes

The insured must inform OUTsurance immediately of any changes to circumstances that may influence:

- i. whether OUTsurance gives cover
- ii. the conditions of cover
- iii. or the premium charged

This includes but is not limited to any changes to any information about the insured's financial position, criminal convictions or charges for offences against any person covered under this policy.

The insured may make changes to the policy at any time. OUTsurance may change the terms and conditions of the policy by giving the insured 31 days notice.

In the event of any legislative changes which have a material impact on your policy or cover, we will make the required changes and notify you by providing reasonable notice.

3. Other insurance

If there are any other insurance policies providing the same cover as this policy, OUTsurance will pay a pro-rata portion of any claim. If the other insurance is subject to average, this policy will also be subject to average. This does not apply to the Personal Accident Section.

a) Premium reviews

Premiums will be reviewed annually on the anniversary date of your policy.

b) Premium payment

The premiums must be paid by debit order on the agreed payment date and at the start of each period for which cover is in force. If an insured asset suffers a total loss and is removed from cover after a claim is settled, there is no pro-rata refund of premium for the month in which the incident occurred.

In the event that you reinstate your policy thereafter, your policy will be treated as a new policy and the grace period will only apply from the second month of cover thereafter.

The policy will end on the final day of the period for which the insured last paid premium.

If the premium is not paid on the agreed payment date, the insured has a 15 day grace period after which OUTsurance will automatically deduct the premium from the same account to ensure continuous cover. If the premium is not paid within the grace period, the insured will have no cover for the period for which he/she did not pay. If premiums are paid monthly, the grace period will only apply from the second month of cover.

The insured warrants that all laws, regulations and rules that apply to the business shall be adhered to at all times. Failure to take reasonable and necessary steps to prevent or minimise loss, damage, injury or liability shall entitle OUTsurance to reject any claim where such failure is material to the claim.

7. Claims

a) On the happening of any event which may result in a claim under this policy the insured shall:

- i. notify OUTsurance as soon as reasonably possible, but not later than 30 days after any incident and provide particulars of any other insurance providing the same cover as this policy;

- c) If the insured disputes the outcome of a claim the insured has 90 days, in terms of the Policy Holder Protection Rules, from the day he/she is first informed of the outcome, to notify OUTsurance about the objection. Immediately following this, the insured has six months within which to serve summons on OUTsurance. If this is not done within this period, the insured's right to challenge this decision is forfeited.
- d) After the payment of a claim in terms of this policy the insured needs to comply with reasonable instructions and requests when assistance is needed in the identification and physical recovery of such property. Should the insured fail to render assistance in terms of this condition, the insured shall immediately become liable to repay all amounts paid in respect of the claim.
- e) OUTsurance will choose a supplier to replace or repair. If OUTsurance elect to repair or replace, OUTsurance will only do so up to the maximum sum insured noted on the schedule for the specific section claimed under.

If the claim is rejected for such a reason, the insured will need to reimburse OUTsurance for any expenses incurred relating to the claim.

10. Breach of conditions

The conditions of this policy and sections thereof shall apply individually to each of the risks insured and not collectively to them so that any breach shall render voidable the section only in respect of the risk to which the breach applies.

11. No rights to other persons

Nothing in this policy shall give any rights to any person other than the insured. Any extension providing indemnity to any person other than the insured shall not give any rights to claim to such person, the intention being that the insured shall claim on behalf of such person. The receipt of the insured shall in every case be a full discharge to OUTsurance.

12. Statutory regulations

The insured must comply with all relevant statutory regulations and best practises that may be applicable to his/her business activities, employees, clients and goods, services and products manufactured or supplied.

13. Consent to disclosure

OUTsurance may then contact these persons and if it results in a policy being entered into between OUTsurance and that person, OUTsurance will give the insured a discount on the premium payment in the succeeding months. The amount of the discount that the insured will be entitled to per successful referral is set out in the schedule.

F Policy cancellations

This policy or any section may be cancelled by the insured at any time with immediate effect or by OUTsurance giving 31 days' notice in writing.

If an employee of a security firm, employed by the insured under a contract, causes loss or damage, OUTsurance agrees not to exercise their rights of recourse against the security firm, if in terms of this contract the insured may not claim against the security firm.

H The OUTbonus

The OUTbonus is a cash bonus that rewards the insured for managing their risk. The OUTbonus cycle, including payment intervals and the appropriate percentages, is also shown on the schedule.

Should the insured decide to withdraw a claim in order to protect his/her OUTbonus, the decision will remain final and cannot be altered should any subsequent claim be submitted. No claim will be settled retrospectively once the insured's OUTbonus has been paid.

Should the insured successfully refer a client to OUTsurance, OUTsurance will give the insured a discount on the premium payments in the succeeding months. Please note that this discounted months' premium will not have an effect in the calculation of the insured's OUTbonus and the OUTbonus will be calculated as if the discount did not apply.
